

Gilpin Hotel & Lake House to Open New 'Jetty Spa' in the Lake District this Summer

The award-winning Gilpin Hotel & Lake House in the Lake District unveils its brand new 'Jetty Spa' at Gilpin Lake House this August. The new spa will feature two cosy treatment rooms with roaring fires and floor to ceiling windows overlooking the private lake, offering a truly serene setting for relaxation. These plush treatment rooms also combine to become a romantic couples' suite.

The 'Jetty Spa Trail' is the antithesis of the big glitzy spa, with the entire trail booked for each couple in complete privacy. The journey begins with an aromatherapy consultation to create personalised blended spa products for the treatments and to create a bespoke gift to take away. Couples then enjoy a private swim in the heated indoor pool, unwind in the warm salt snug with an aroma spritzer, and exfoliate with a salt scrub shower. They then follow a lovely trail through the woods leading to their private couples' spa suite, where they will enjoy relaxing massages with their bespoke oils, lit fires and spectacular views. Couples then chill out in the Boat House with a warming speciality tea and delectable nibbles, and then to complete the Spa Trail, enjoy a glass of Champagne in the Japanese Ofura hot tub surrounded by delicate candles.
