

At 6pm on Monday 13th of May Burgsy?s Burger House will open its brand new restaurant in the heart of York at 9 ¾ Castlegate.

From Humble beginnings?.

Burgsy?s started life in a food van on a Whitby Industrial Estate, run by Marta Gemra and her husband Patryk. They soon developed a reputation for serving sumptuous burgers and opened a restaurant in Whitby in 2015. This was voted by users of Trip Advisor as the second best ?Burger Joint? in the UK in 2018.

Able to accommodate up to 50 guests and designed around a wild west theme, the Restaurant has hand made tables, wall art on an Arizonan theme, a fireplace and a comfortable bar area. Outstanding food and drinks will be available from Noon to 9pm - 7 days a week.

It?s not Fine Dining, it?s better!
