

The Kings Head is a very old traditional village pub, full of character, dating back to the early 1800's. A former winner of 'Pub of the north' in the 1970's, it was purchased in a fairly run-down state by the Smith family in March 2008. Closed for nine weeks it has been fully refurbished and has maintained its oldie - worlde character and warm feel, which continues through the new extension at the rear. The whole building has disabled access and includes a disabled toilet facility.

The management team are twin Brother and Sister, Tim and Katy, assisted by their older brother, Darren. Both of the brothers, who are fully trained chefs themselves, assist in the new fully equiped kitchen at busy times. All of this family team have many years experience in the catering and hospitality industry for both in-house and outside functions. We are a family-run establishment who care about all of our customers, supplying great food, homemade and locally sourced, served by friendly staff in a pleasant and comfortable environment.
